BISHOP'S LENT APPEAL 2018: "REFUGEE AND NEIGHBOUR"

Working overseas

The main charity we are supporting this year is **Christian Aid**, a partnership of people, Churches, and local organisations committed to ending poverty worldwide. As part of this, they work with directly with refugees, through local partnerships,

and through linked organisations.

Refugee and Neighbour: Working at home

Even with the shocking and often heartbreaking images in the news over the last few years, many of us will never really know what it feels like to be forced away from home by war or persecution. But some in our communities do know from first hand experience, while others will have heard the stories of family members or friends.

ST FAITH'S CHARITY SHOP

Our shop has officially had it's **most successful year EVER**, with £21,971 raised to the end of November. That's £3,329 more than last year!

A huge thank you to all those who have donated goods and especially those volunteers who have worked tirelessly in the shop throughout the year. You magnificent people! Every blessing to Clare, as she takes reins this week!

This is a quote from Will Coulston (Pallant Centre Manager) made on Facebook after a busy weekend at the Pallant Centre...

'Well what a weekend at [The Pallant Centre](#) it's been. I'm absolutely exhausted but so grateful to have such good people in my life - they made it all worth it'

There was a 60th Birthday party in the hall on Saturday night followed by the Volunteers party on Sunday afternoon, and in between all this, helping Dynamo to clear out 'clutter'.

With thanks to both Will and Kevin for all their hard work this weekend.
Huge thanks to Bill Jones for organising the Volunteers party on Sunday afternoon!

Isn't it great to see the Pallant Centre really coming to life?

Open
Monday—Friday
9.30am-4pm
Saturday
9.30am-2pm

A great place to relax with a really spectacular coffee and food, with play equipment for any small family members you have with you!

Moving on...

There are times in life when we feel the hand of God guiding us, more than others. I have certainly felt this over the past few weeks, in my decision to apply for the post of 'Community Fund Raising Manager', which I officially start tomorrow (I will still be working the office in the mornings. (My thanks to Tom for allowing me to relocate from the office to the Pallant Centre).

I was so excited when I was officially offered the role by Will, Sandra and Colin and I very hope I can live up to their confidence in me. For those that know me, I think this role will suit me down the ground. It includes working with people, which I love and also to explore the more creative side of my personality. (Tom is very patient with me with what sometimes seem obscure ideas, the idea of making a bouquet out of paper flowers for our daughter's wedding, or when I decided to have an eclectic selection of handles on the kitchen cupboards and many more over the years).

I have been in the shop a few times this week, getting to know the volunteers and getting ideas from them as to how we take Charity shop into the next phase. I have quite a few ideas of my own (I don't suppose that surprises many of you who know me well!).

In order to take the shop into the next phase, we need your help; if you have a spare couple of hours per week, come and join our team. It is great fun place to work and very rewarding. If you would like to find out more of what is involved, come and see me, either in church, or in the shop.

My role over the next few months, will to be to think about other fundraising events we can hold. We have the Flower Festival later this year and plans afoot to hold a wedding Fair in the church next year. If you have any ideas of what else we could do, then please let me have them

The last eleven and a half years, have been fun, rewarding, hardwork and sometimes stressful. Many of you have been an ear when I needed to talk and others have made me laugh. And of course there's always Sandra on the other end of the phone - a fountain of knowledge... Thank you to you all for your kindness and thoughtfulness over the years..

Here's to the next phase, I'll only be round the corner, so please come and see me in the shop (and bag a bargain of course).
