THE LAST WORD: from Fr David

It is no coincidence that Easter is in springtime, for our main theme at this time of year is new life. The signs of new life in nature should remind us all of the greater life in God who gives life to all things; the resurrection life of Christ who has conquered death, and the eternal life in him which is offered to all who choose to believe in him.

The whole of the week of Easter is a time of great celebration. For some of us, it might be a time to enjoy again something that we gave up for Lent! But the life that we celebrate, and the life that Christ calls us to, goes far beyond this week—and it's a life that we should join in as fully as we can, and invite others to share with us.

So this Easter, why not consider doing something new in your life? We would love to have more volunteers to help in our charity shop. There are several vacancies on the PCC; if you're on the Electoral Roll, consider standing, and help to shape the life of the parish. If you have a skill you can offer or an idea for a fundraising event, speak to one of our staff. And **everybody** is invited to get involved in 'Going Deeper', as we consider our spiritual life and work.

Or maybe God is asking you to do something new outside of church life, so that you can take the life and light of Christ to other people....

Christ came to give us all abundant life, and at Easter we celebrate that Christ's life is stronger even than death. On behalf of everybody at St Faith's, I wish you a very happy and blessed Easter.
