PALLANT NEWS

A visitor's appreciative Blog comment:

"During the week the Main Man and I were delivering some odds and ends to the church charity shop in the Pallant when we met the manager of the Pallant Centre (which includes what used to be known as the Church Hall, Church House, the Charity Shop and everything between.) He invited us to come and have a look at the changes in Church House... It takes a lot for me to be speechless – but it was completely amazing!

If any of you are in Havant – do drop in and say hello to whoever is about – I know they will be pleased to show you around".
