THY KINGDOM COME

Thy Kingdom Come is a global prayer movement, which invites Christians around the world to pray between Ascension and Pentecost for more people to come to know Jesus Christ. What started out as an invitation from the Archbishops of Canterbury and York in 2016 to the Church of England has grown into an international and ecumenical call to prayer.

I would encourage you to take part in the extra services this week and to spend time in church praying at the different prayer stations which will be available. Encourage your family, friends and neighbours to try out the prayer stations too.

As we continue to listen and hear God's call to be a Christian presence in this community let us pray also for the growth of our own congregations and a stronger sense of what it means to truly live as Christ's disciples.
