**Monthly Information.** The monthly information edition has been published every month since June 2013 with the first page giving details of “*What’s On*” and the last page of 4 giving details of who to contact within St. Faith’s. The inside pages give information relevant to St. Faith’s including the summary of PCC meetings. We now have a weekly Corona Chronicle edition with a large distribution and a Monthly Information with a considerably reduced distribution. Therefore, the Monthly Information will be incorporated in the last Corona Chronicle volume of each month until further notice. The Monthly Information will still be available on our website at <https://stfaith.com/monthly-information/>

## ***We Are Survivors! (For Those Born Before 1940)***

# **SURVIVORS**

We were born before television, before penicillin, polio shots, frozen foods, plastic, contact lenses, videos, Frisbees and the pill. We were before radar, credit cards, split atoms, laser beams and ball point pens; before dishwashers, tumble driers, electric blankets, air conditioners, drip-dry clothes, and before man walked on the moon. We got married first and then lived together (how quaint can you be?) We thought *'fast food'* was what you ate in Lent, a *'Big Mac'* was an oversized raincoat and *'crumpet'* we had for tea. We existed before househusbands, computer dating, dual careers, and when a *'meaningful relationship'* meant getting along with cousins, and *'sheltered accommodation'* was where you waited for a bus. We were before day care centres, group homes and disposable nappies. We never heard of FM radio, tape decks, electric typewriters, artificial heaters, word processors and young men wearing earrings. For us *'time-sharing'* meant togetherness, a chip was a piece of wood or fried potato, *'hardware'* meant nuts and bolts and *'software'* wasn't a word. Before 1940 *'Made in Japan'* meant junk, the term *'making out'* referred to how you did in your exams, *'stud'* was something that fastened a collar to a shirt and *'going all the way'* meant staying on a double-decker to the bus depot. Pizzas, McDonald and instant coffee were unheard of. In our day, cigarette smoking was *'fashionable'*, *'grass'* was mown, *'coke'* was kept in the coal house, a *'joint'* was a piece of meat you had on Sundays and *'pot'* was something you cooked in. *'Rock music'* was a grandmother's lullaby, *'Eldorado'* was an ice cream, a *'gay person'* was the life and soul of the party and nothing more, while *'aids'* just meant beauty treatment or help for someone in trouble. We who were born before 1940 must be a hardy bunch when you think of the way in which the world has changed and the adjustments we have had to make. No wonder we are so confused and there is a generation gap today. BUT by the grace of God, we have survived! Alleluia!

***Faith Matters.*** The monthly Parish magazine "*Faith Matters*" from August 2002 until March 2011 are on our website at <https://stfaith.com/magazine/> for historical interest and for an insight to St. Faith's Church, Havant, during this period with stories and articles from parishioners which shows what activities they got up to.
